

construir mis siluetas de target field

Escrito por muxiven - 17/01/2011 14:31

me quiero aficcionar al field target , pero quiero construir mis propias siluetas y no tengo muy claro los mecanismos , pues en la red no se aprecian bien y no hay medidas

Hola,

Depende, si tienes todo lo que hace falta, tiempo y te gusta... A ver si encuentro las fotos con la que me hice para entrenar.

Saludos

¿De que madera las harás?, es algo a tener en cuenta porque hay cada bicho por ahí que pega unos pepinazos buenos. Aunque una buena solución sería remacharle una silueta metálica de 0,5 por lo menos.
