Yo conozco esta armería desde hace muchos años. Mi "turca" procede de ahí. En mi caso (sin pretender generalizar) el trato ha sido siempre exquisito y la atención personal excelente, si bien yo solo

he comprado "en vivo y en directo". Sus consejos me han sacado de algunos apuros, llegando a realizar pruebas de artículos antes de comprarlos. La atención como digo ha sido siempre muy cercana, en mi opinión saben lo que se hacen.

En lo referente a la potencia de la Hatsan anunciada, o es un error o quizá pueda tratarse de un modelo F.A.C. que necesitaría permiso de armas de 3º categoría (si esto es posible).

Añadida la web de armería Toribio a la lista de enlaces de armerías nacionales recomendables..
